

We protect your animals and safeguard your investment

Virkon™ S / Virkon™ LSP the proven protection against ASF

Virkon™ S and Virkon™ LSP tested in INIA, the reference lab of Europe, on a real ASF virus with the latest EN tests shows a 100% efficacy and this with

- reduced contact time: down to **15 seconds!**
- high dilution
- at low and high temperatures
- in presence of organic soiling

YEAR	VIRUS	Testing Facility	LOG REDUCTION	%	Conditions	Challenge	Contact time	Dilution	%
EN 14675 test with Virkon™S									
2002/2012	ASF Virus ref LIL20/1	Pirbright Laboratory UK	>4.75	99,99%	4°C	Low -1% Organic Challenge, Hard Water	30 minutes	1 to 800	0,125%
